## Fill out our Strategic Planning Questionnaire!

We're excited to begin a new strategic planning process to help shape our future! Our questionnaire is now available and offers everyone the opportunity to share ideas, feedback, and priorities. Your input truly matters—please take a few minutes to complete the survey and consider sharing it with friends and neighbors. We want to hear from as many people as possible as we plan for what's next. You can complete the survey by scanning the QR code, picking up a printed copy at the library, or visiting our website.
