Leighton Township Library

Summer Reading Program Descriptions

- John Ball Zoo– The zoo educators will focus on how animals play, how their zookeepers use play as a form of training to keep the animals happy and healthy, and how you could work, play and read your way to being a zookeeper.
- Wild Plant Foraging with Nancy Felton- All Ages~ Learn about plants found in your own yard. Find out which plants heal and which plants are edible. Samples will be available. Sign-up not required, but encouraged.
- Outdoor Discovery Wetlands Program- The presenter will share live examples of both vertebrate and invertebrate organisms that can be found in and near wetlands in Michigan. Animals may include toads, frogs, salamanders, fish, leeches, dragonflies, damselflies and more. There will be a chance to handle many of them during the exploration time.
- Action Art- Join us for a hands-on, active, fun approach to art. We will be outside where the art projects can be messy and involve physical activity. Wear clothing that can get paint spattered
- Story Time- Ages preschool to early elementary ~ Stories, songs, and crafts. It is held on Wednesdays at 10:30 a.m.
- Family Movie Night- All Ages ~ A movie is projected on the wall and there is free popcorn.
- Tween Parties- Ages 8 to 12~ A themed hangout time for tweens. There will be dinner, group games, and free time to hang out with friends or make new friends.
- Teen Parties- Ages 13 to 19~ A themed hangout time for teens. There will be dinner, games, and free time to hang out with friends or make new friends.
- Musical Monday- Come and watch a classic musical!
- Movin' and Groovin'- A music program designed to get your child up and moving! We'll use rhythm sticks, shakers, bean bags, scarves, and parachute play during this 30 minute program. We meet on Fridays at 10:30 a.m. during June and August.
- Construction Fridays- Drop-in program~ Build something new each week. We'll have different activities each week including Legos, marble mazes, Lincoln Logs, cardboard boxes and tubes, blocks, and more!
- Science Camp- Mr. Bollone will gain with his

women
