LTJ Summer Reading

Program Descriptions

- **Tasty Titles-** Bring in baked goods with book-themed decorations for a chance to win. Stay to sample everyone's delicious creations. Sign up required.
- **John Ball Zoo-** The zoo educators will focus on all the amazing animals.
- **Rocket Science-** Ages 5 and up~ Create paper rockets and make them soar into space with our stomp rocket launchers. We'll also experiment with pop rockets.
- **Out of this World Art-** We will be outside where the art projects can be messy and involve physical activity. Wear clothing that can get paint spattered. (Kids five years old and under need to be accompanied by an adult and/or responsible teen.)
- **Air-Zoo: Fly Me to the Moon-** Ages 5 and up~ Investigate how gravity keeps the Moon in orbit and what it takes to escape Earth's gravity to get to the Moon. Experience the creation of Moon craters and the challenges involved in landing safely on the varied surface of the Moon. Learn about missions to other moons and planets in our solar system.
- **Patriotic Canvas Painting-** Create a patriotic themed acrylic painting. Sign-up for this at the front desk prior to the event. Cost is \$3 per person.
- **View The Moon-** All Ages~ Mr. Bollone will be setting up 2 telescopes in the library parking lot to view the full moon weather permitting. This is a great opportunity for families to see the moon "close up".
- **Space Rocks-** We'll have rocks, paint, and other fun items for you to design your own space rocks. Make them look like an alien, a UFO, a planet or a meteor! (Come and go anytime between 11-12am)
- **Nerf War-** Declare "war" against the opposing team in a makeshift battle ground. If you have a Nerf gun, please bring it with you. Nerf darts will be provided.
- **Adventure Club: Astronaut Training-** Ages 5-8~ Sample food that astronauts eat in space, design and build a shock-absorbing system that will protect two "astronauts" when they land on the moon and other fun training activities.

- **Sleuthing Saturday-** Ages 8-19~ Join us as we solve a mystery with Nancy Drew.
- **Story Time-** Ages preschool to early elementary ~ Stories, songs, and crafts. Wednesdays- 10:30 a.m.
- **Movin' and Groovin'-** A music program designed to get your child up and moving! We'll use rhythm sticks, shakers, bean bags, scarves, and parachute play. We meet on Fridays at 10:30am.
- **Teen Parties-** Ages 13 to 19~ A themed hangout time for teens. There will be dinner, games, and free time to hang out with friends or make new friends.
- **Game Night** ~ Open time to come in and play board and card games!
- **Family Movie Night-** All Ages ~ A movie is projected on the wall, and there is free popcorn.
- **Friday Fun-** All ages~ A different activity each week. Drop in between 11 am and 2 pm for a craft or simple science activity. Details will be posted each week on Facebook.
- **Stop Motion Animation-** Ages 8-19~ This is a 3 week program that gets kids introduced to creating stop-motion animation projects. We will be working together to create story-boards, sets and characters, and a final production. Sign-up for this at the front desk prior to the event.
- **Book Club for Adults-** Ages 18 and up~ In June we'll discuss *Before We Were Yours* by Lisa Wingate. July's title will be announced on June 24.
- **Tween Parties-** Ages 8-12~ A themed hangout time for tweens. There will be dinner, games, and free time to hang out with friends or make new friends.
- **Mario Kart Tournaments-** All ages~ Test your skill against others in a tournament style competition. Sign-up for this at the front desk prior to the event.
- **Science Camp-** Mr. Bollone will amaze you once again with his science camp. Please sign-up at the front desk.
- **Summer Finale- BenJammin'-** Jammin with BenJammin Gauthier gives kids a chance to move, play and sing along with Educational Music. Perfect for the whole family!
