Access Magazines!

Magazines are always available, with *no wait list, no loan limits, and no due dates!*

The Newsstand is a custom-made visual way to look for magazines. At the Newsstand, you can browse thousands of titles from all over the world. To access it, go to your Shelf. Below your loans, you’ll see a section called Magazine Rack. Tap the blank cover image.

You’ll see a selection of popular titles. You can tap a subject (near the top of the screen) to browse related magazines. Near the subjects, you’ll also see the filter menu; you can use these options to search, sort or filter what you see in the Newsstand. Tap the cover to start reading immediately.

When you Subscribe to a magazine, the latest issue of the magazine is automatically added to the Magazine Rack on your shelf, and you’ll be notified when a new issue of that magazine is released.
